

# PLANTRONICS ENTERA™

## The simple value for money headset

Entera offers you a simple, value for money headset. It is available with a single earpiece that can be worn on either ear, or dual earpieces to block background noise. Both come with a noise-cancelling microphone for clear speech. The Entera headset comes with Plantronics world class service and support.

#### Key features:

- Noise reducing microphone for improved intelligibility
- Choose the single ear-piece model to confer with colleagues or the dual ear-piece model to block out background noise
- Wideband audio to help you preserve investment when moving to VoIP
- Comfortable and lightweight for improved agent wellbeing
