

DuoSet®

Whether worn over-the-ear or over-the-head, the convertible style DuoSet allows you to make good use of your hands to multi-task. The headset is comfortably secure, and the sound quality is superb.

DuoSet Key Features

- **Over-the-head stability or over-the-ear convenience** for the busy office professional.
- **Superior Sound.** SoundGuard® technology provides natural voice tone and removes loud tones, as well as occasional noises and crackles on the line.
- **Noise-canceling microphone** filters out background sounds for heightened speech clarity.
- **Quick Disconnect™** lets you walk away from your phone while still wearing your headset.
- **Soft ear cushion** for all day comfort.
- **Adjustable headband** allows wearing on either ear.
- **Lightweight comfort.**
- **Warranty:** Two years for unsurpassed durability.

Backed by Plantronics global service and support

DuoSet headsets require a Plantronics audio processor, USB audio processor, or direct connect cable to connect to phone or PC.

Vista® M22 Audio Processor

The Vista M22 audio processor delivers precise levels of listening comfort, sophisticated hearing protection, and superior audio performance. The Vista M22 includes Clearline™ audio to improve call quality in any environment, especially wideband VoIP.

DA45™ USB Audio Processor

Compatible with all Plantronics H-series headsets, this headset-to-USB adapter/audio processor brings superior call clarity to PC-based communications. The DA45 USB provides advanced audio technologies, plug-and-play connectivity, and Quick Disconnect.
